What Amanda's clients have to say

Canterbury Aug 2024

I appreciate Amanda's help in finding insurance for our business. She was always quick to respond to my questions, which was great.

Canterbury Jul 2024

Very thorough and most helpful. Always followed up any question promptly.

Canterbury Jun 2024

I came to Amanda because our current broker has changed personnel. One call to Amanda and she had it sorted. She called when she needed questions answered and kept me updated on the process as we were close to our renewal date. She was fabulous.

Canterbury Apr 2024

Amanda puts a smile on my face each time I see her here. I like that personal connection rather than an email.

Canterbury Dec 2023

Good professional service with timely responses.

Amanda has over 20 years in the industry specialising in broking and risk management, having worked for both large insurers and multi-national broking houses. Amanda has a wealth of knowledge on a broad range of insurance products. As a broker she has worked with a variety of diverse and technical clients including large property portfolios, food industry, wineries, and manufacturing industries to name a few and seeks to provide clear and comprehensive advice to suit their requirements while delivering high standards of service and value in the placement and management of insurances. Amanda is a ANZIIF Senior Associate, QIB and holds a Level 5 Certificate in Compliance for Advisers.

Canterbury offers amazing coastal and mountainous landscapes so Amanda heads out as often as she can with her family to explore the region, go camping and find new fishing spots.
