amber.mcdonald@rothbury.co.nz

Amber began her insurance journey with Rothbury in 2024. With her adaptability, problem-solving skills, and strong communication, she enjoys building rapport with commercial clients. Amber now holds the New Zealand Certificate in Financial Services (Level 5) – General Insurance, alongside a Bachelor of Commerce and Administration and a PRINCE2 Project Management certification.

When she's not working, Amber loves spending time with her family, especially taking leisurely Sunday strolls with her twin boys. She enjoys escaping to Martinborough on the weekends for some relaxation and its lovely wineries. Amber appreciates Wellington's lively restaurants, bars, and waterfront, especially on sunny days. Passionate about giving back, she supports her local Multiples NZ network, helping new parents of multiples. Amber also loves to travel, having spent two years living in London while exploring Europe!
