Ann is an incredibly valuable asset to your team. I have been so impressed by the way she connects with people, and we have been truly blessed by both her and Andrew's willingness to work alongside us. Our board is genuinely grateful for the support we've received. I would absolutely recommend Rothbury to anyone seeking the services they provide. From our very first enquiry, when we were "shopping around," through to our first face-to-face meeting and everything since, the experience has been exceptional. Communication has been timely and clear. The information, guidance, and support provided have been outstanding. The professionalism shown throughout has been second to none. What has stood out most is the genuine sense of whanaungatanga. We feel as though we are working with people who are authentic, approachable, and invested in building a meaningful relationship. Simply put, excellence all around.
