Belinda is super smart and at the top of her game. If you want to work with a professional who is sharp, in command of the situation, and gets the job done right the first time, then that is what you will get. Highly recommended.

I asked a question that needed research, and Belinda went above and beyond to find out the information.

Belinda started in the insurance industry in 1992 and joined Rothbury in 2024. She is primarily responsible for the key relationship, providing general advice, insurance solutions, and sharing market knowledge along with escalating any problems.

She has great attention to detail, strong communication skills and loves a new challenge. Belinda prides herself on giving a great client service experience and is always up for meeting new people and learning new things. She has a Law degree and holds her Level 5 certificate in Financial Advice.

Away from work, Belinda can usually be found gardening, walking on the beach and spending time with her family which includes 2 beautiful grandsons and a dog named Charlie! She loves the Auckland region for its variety of restaurants, great beaches and its many places to explore! A foodie at heart, Belinda is a keen baker and cook who loves creating delicious treats for all the family.
