What Bruce's clients have to say

Wellington Oct 2026

After Amber referred me, Bruce offered fantastic service and guidance on insurance after I started my own business. Thanks! I'm looking forward to working with you and the team in the future.

Wellington Sept 2026

Bruce and the team are great to deal with, have a good idea of what we do as a company (which is complicated), and are easygoing and efficient.

Wellington Sept 2026

Always good service from Bruce and his team.

Great service; they were patient when I needed some time to organise our side. Answered questions quickly and ensured that we understood the terms and conditions for our insurance.

Was delighted that he was able to arrange insurance. Because of the unique nature of our body corporate, many brokers have not wanted to bother. He was careful to understand what we needed, and, as I was newly elected as chair, he talked me through the whole process.
