### What Chelsea's clients have to say

Auckland Jul 2023

Good service and discussed in a friendly and cheerful manner.

Chelsea joined the insurance industry and joined Rothbury 2022. After starting in the Domestic Broking space, Chelsea quickly grew her insurance knowledge and made the move over to Franchise Insurance Claims & Sales. With her great attention to detail and bubbly personality, she ensures every client gets a great, bespoke service that's right for them.

In her downtime, Chelsea is a keen explorer and enjoys mountain biking or hiking a new trail. Along with insurance broking, she is a group fitness and boxing instructor and can usually be found in the gym somewhere. A self-professed magpie, Chelsea also loves to shop for her next statement piece, bringing glitter and a pop of colour to the office on a daily basis!
