Darren joined the insurance industry in 1990 and started with Rothbury in 2019. He enjoys getting out and about seeing clients in their own environments. This gives him a better understanding of the types of insurance programmes that they need. For Darren, the best thing about broking is the diverse range of risks that he deals with on a daily basis and the multiple challenges that keep him on his toes in this competitive market.

Darren enjoys regular trips, through picturesque scenery, to visit Blenheim & Golden Bay clients.
