Hawke's Bay Feb 2025

Every year I know I can trust Di to reach out
and check I'm happy with my policy and she
goes the extra mile to make sure any
changes required are thoroughly
investigated and the best option is given to
me to consider. The ongoing personal
relationship has created a sense of trust and
I love that I can just trust Di to recommend
what's best for me and my business.

Di joined the insurance industry in 2000 and started with Rothbury in 2007. A founding member of the Hawkes Bay branch, her client base is a mixture of small to medium sized businesses across a number of different industries. Di has a client centric approach and enjoys seeing her clients businesses evolve and grow. She works hard to build strong client relationships and has a number of long standing clients.

Di likes to read a good book and can also be found four wheel driving on the beach. She loves the sunny Hawkes Bay and all the beaches in the area. Di loves to support her Moko's rugby teams and local pool association.
