I love that Diana understands my portfolio specifically. Her advice has been spot on.

Pukekohe Jul 2025

Diana has always been very efficient. At times when I've been busy, she has been very understanding and accommodating. She is a superstar!

Diana started in the insurance industry in 2008 and started with Rothbury in 2023, starting in the Motor segment and moving over to a supporting role in the commercial space. She is customer focussed, helpful and has an extremely professional approach. Diana enjoys dealing with clients and making sure that their assets are insured completely so that they have peace of mind.

When she's not at work, Diana can usually be found around her family and listening to music. She is still getting used to the new environment after a recent move to Papakura, but enjoys taking her child to the Bruce Pullman park for sporting activities. Diana has completed her bachelor's in arts and holds an MBA.
