Donna has been amazing!

Donna joined the insurance industry in 2009 and started with Rothbury in 2010. She is dedicated to building strong relationships with her clients and providing superior service that exceeds their expectations. Donna advocates strongly for her clients, especially when it comes to arranging complex covers and make a claim.

She likes to spend weekends with friends and family and often takes time out to travel in their caravan. She likes taking out their classic car on a sunny day and is always keen for a leisurely stroll along the beach.
