We are so fortunate to have Donna as our broker. She is so professional and also friendly. We know that we are in good hands with our insurance needs. Thank you.

Donna joined the insurance industry in 1976 and started with Rothbury in 2005. Her dual role as a software testing analyst of the Rothbury systems and Domestic Broker keeps Donna busy. An expert in Domestic Insurance, Donna excels at providing expert advice and efficient service to support her clients. She takes pride in responding to clients quickly and is a great multitasker so her clients are always in good hands.

Donna likes to make the most of sunny days cycling around the city or on walking tracks. She also enjoys spending time with her family and friends, and unwinding over a good glass of wine.
