What Emma's clients have to say

Rotorua Jul 2026

I was most impressed by all the details Emma passed on to me regarding this year's insurance renewal. When I asked for a written copy; this was sent to me without a problem.

Excellent service and a smooth transition to move all our insurance for our 3 properties to Emma and Rothbury. Emma was very informative, explaining all the proposals and comparisons in detail for the insurance options that suited us. She was always available and responded to all my queries timeously, providing lots of information. She made us feel that our insurance needs were important and ensured we were adequately covered. Emma made us feel very supported and comfortable throughout the process, and she was always friendly and helpful.
