What Fiona's clients have to say

Auckland Oct 2026

Fiona was amazing. Understood the brief perfectly and arranged quotes almost instantly! When a couple of changes were needed, Fiona sorted them out—all this effort and great service for what was, in actuality, a very small policy. Fiona looked after us like we were high-end customers. We also approached other companies (including brokers) for the type of insurance we needed, and half of them didn't even respond!

Fiona was helpful and professional. Nothing was too much trouble, and she made the process easy. I would highly recommend
