Fiona was very informative and really understood our needs, especially as a sole trader. As an auto upholsterer, I appreciated how well she grasped the practical side of the business and tailored her advice accordingly. She was easy to deal with and genuinely helpful throughout.

Fiona guided us through a particularly difficult time following Cyclone Gabriel. Very professional and great overview of not just the immediate situation, but also provided a realistic forward view.

I had a great experience working with Fiona at Rothbury Insurance. She was incredibly prompt and got everything completed so quickly — I was genuinely surprised and very happy with how smooth the process was. After finding it difficult to deal with others and getting quotes, Fiona made everything easy and stress-free. Highly recommend her service.
