What Garry's clients have to say

North Shore Aug 2026

Garry has been everything a broker should be for decades. He listens to our needs and notes any changes from last year, so we can discuss how best to implement adjustments. Garry has shopped around and found short-term coverage for special business projects. This year he sorted out travel health insurance when it appeared there were no solutions. Garry has earned a 5 Star rating from us.

The Rothbury brokers we deal with at Takapuna are all very helpful, knowledgeable about the policies and efficient to deal with.

Garry joined the insurance industry in 1979 and started with Rothbury in 2009. Garry has dealt with almost every occupation there is and ran his own company for 18 years. Garry is passionate about his clients and looks after a wide variety of businesses, including many Foodstuffs franchise businesses. He is very proud of the fact that many of his clients have been with him for over 20 years. Working alongside his Broker Support of 22 years, Heather, their clients' best interests are always top of mind.

Outside of work, Garry enjoys the theatre and has worked in many roles over the years including acting, lighting and stage management. He's also involved in the local community through organisations like StarJam and is a business mentor.
