Guy has been an exceptional broker, consistently delivering professional, knowledgeable, and responsive service across all aspects of our insurance programme. He has expertly managed our annual renewals across multiple entities and insurance lines, provided clear and well-considered advice on complex coverage matters, supported our internal budgeting with transparent premium estimates, and handled claims coordination with efficiency and care. His attentiveness extends to day-to-day operational risk matters and his ability to work collaboratively with our internal teams across finance, ICT, and leadership has made him a trusted and valued partner. We would highly recommend Guy and look forward to continuing our relationship with Rothbury Insurance.

Guy joined the insurance industry in 1997 and started with Rothbury in 2012. Guy is very experienced and sees insurance through the lens of his clients. His expert knowledge and understanding of all things insurance means he knows how to translate requirements to Insurers and get the best solutions for his clients. His key specialist areas include: Construction, Engineering and Property along with Heavy Motor and Financial Lines Liability.

To the delight of family and friends, Guy likes to wake up at 5am which gives him plenty of time to go biking and skiing. The peaceful mountains and the bustle of the streets are just some of the reasons why he loves living in Queenstown. Guy is also a qualified Ocean Yachtmaster holding a Yachtmaster Ocean certificate, the highest qualification available in the RYA scheme.
