I did not want to work with Ivan when I was introduced to the body corporate he has as a client. The reason for this is I normally work with my own brokers. The owners insisted I keep Ivan and I am happy I did. I obtained my own quotes that Ivan did not know about and Ivan still managed to obtain the best prices. I don't usually say I was wrong but I was wrong.

Ivan joined the insurance industry in 2009 and started with Rothbury in 2021. His focus is on both domestic and commercial covers. Having previously worked as a broker in Malaysia Ivan's passion and enthusiasm make him a knowledgeable and approachable broker. Passionate about serving the community, he is part of the community Police NZ. He also actively peruses new locations to go walking, running and cycling.
