What Ivan's clients have to say

Excellent service! Very happy with Ivan service and advise!

I did not want to work with Ivan when I was introduced to the body corporate he has as a client. The reason for this is I normally work with my own brokers. The owners insisted I keep Ivan and I am happy I did. I obtained my own quotes that Ivan did not know about and Ivan still managed to obtain the best prices. I don't usually say I was wrong but I was wrong.
