Jing joined the insurance industry in 2007 and started with Rothbury in 2014. Having previously worked in underwriting and claims she has a good understanding of policy offerings. As a commercial insurance specialist working with clients in the small and medium enterprise space offering cover options for those working in various sectors including construction, retail and hospitality. She is friendly and professional and prides herself on her attention to detail. She is keen to build working relationships in which clients can put their trust in her.

What Jing's clients have to say

Jun 2026

I cannot recommend JING enough. Before working with her team, I found insurance jargon confusing and overwhelming. They took the time to break everything down in plain English and found a policy that actually fits my business needs—not just the most expensive one. It gives me great peace of mind knowing my company is properly protected. JING is a true professional.
