Jodi organised urgent insurance on our social housing properties, which was very much appreciated given the tight time frame. She kept in close contact, which was appreciated during the stressful process of buying properties.

Jodi started in the insurance industry in 2015 and joined Rothbury in 2023. She has an extensive wealth of knowledge in Domestic insurance and has a drive to always achieve the best results for each client. She has a bubbly personality and takes pride in building strong client relationships. Jodi holds her Level 5 certificate in general insurance.
