What Jono's clients have to say

Auckland Apr 2026

I have had a positive experience with Rothbury and my broker (Jono Crawford). Communication has been clear, timely, and professional, which makes a big difference when dealing with insurance matters. My broker has taken the time to understand my needs and explain options in a way that's easy to follow, without unnecessary jargon. I appreciate the proactive approach—checking in when policies are due for review and making sure I'm getting appropriate cover at a competitive rate. Any questions or claims I have had have been handled efficiently, which gives me confidence that I am well supported. Overall, the service has been reliable and customer-focused, and I feel comfortable recommending Rothbury and my broker to others.

Passionate about Rugby, a past Pakuranga United Rugby Club player for 25 years, he is now involved as a Team manager for Auckland Rugby. Located in Beachlands he is known to attend the nearby Clevedon farmers market and with the city only a 35 minute ferry ride away he appreciates the mix of rural and city lifestyle. Perhaps the next Maser Chef? He explores international flavours with his cooking but can't go past the humble Kiwi BBQ with family and friends.
