Kirsten started in the insurance industry in 2017 and joined Rothbury in 2023. She enjoys getting to know her clients and helping them achieve the best insurance outcome that suits their personal needs. Kirsten prides herself on being a great listener and thrives off a good challenge. She holds her Level 5 Certificate in Financial Services and is looking forward to working with people all around New Zealand.

When she's out of the office, Kirsten can usually be found outside walking tracks and beaches, travelling, reading, and spending time with her family. She loves living in Kerikeri for its close proximity to beautiful beaches and magnificent scenery. Kirsten used to own and run a florist shop and a fun fact about her is that she has triplets!
