Nice to build up a relationship where there is full trust that your insurance needs will be reviewed and improved where needed. e.g. last year we added Cyber Insurance.

Kyla joined the insurance industry in 2000 and started with Rothbury in 2015. She has many years in the insurance industry under her belt, and has built a solid understanding of the insurance market and its products. She specialises in providing assistance to Corporate clients and prides herself on finding solutions and delivering excellent service.

Kyla unwinds after a busy week by catching up with friends and watching her favourite TV series on Netflix. She relishes attending local events like Wellington on a plate or WoW; there is always something entertaining going on.
