leah.anderson@rothbury.co.nz

Leah started in the insurance industry and with Rothbury in 2023. She is friendly, organised, and a self-professed great multitasker. She is looking forward to honing her skills and knowledge within the industry.

In her spare time, Leah can be found travelling to new places and exploring the scenery on various hikes. Born in England and raised in Canada, she is new to Invercargill and is keen to get involved in the community by joining sports teams and learning how to surf! Leah also has an artsy side and enjoys creating music, singing, and reading.
