lienkie.prinsloo@rothbury.co.nz

Lienkie joined the insurance industry and Rothbury in 2023. She is excited to build long lasting relationships both within her team, the industry and with clients. Lienkie is hard working, a huge team player and takes pride in her communication and problem solving skills.

Outside of work, Lienkie loves to cook, settle down with a Hallmark movie, go on beach walks and spend time with her family. She loves the Tauranga region as it feels like a safe place for her to settle down. Not having lived in Tauranga for that long, she currently supports the Thames Squash Club. She has a real zest for life and enjoys being in the company of friends and family (including her pets)!
