The experience was effective, efficient and conducted in a manner consistent with my needs. The broker was helpful and had an excellent manner.

It was nice to chat with someone who came across as a "real" person for a change. We had a good laugh and still got the job done.

I really enjoy Luca's no-nonsense approach. He'll find out if he doesn't know the answers to my questions, and he's so upbeat, which really helps too!

Luca joined the insurance industry in 2008 and started with Rothbury in 2020. He specialises in professional and technical services which he backs up with extensive product knowledge. Luca regularly keeps up-to-date on the wider industry challenges and how these relate to his clients' businesses in order to provide the most effective advice, service and products to exceed his clients' expectations. For Luca, thinking about insurance and how we can help our clients leverage it to get better outcomes both in business and life is what makes the role of a trusted advisor such a rewarding one. Half Italian, Luca was born here but went to school in his father's home town of Genoa, a beautiful city on Italy's north-western coast. Wellington makes a great second home for him with its vibrant, coastal atmosphere and numerous events. He's a cooking enthusiast and has picked up

many tips and tricks from his mum. Being Italian, he also likes to play soccer whenever he can.
