What Maddy's clients have to say

North Shore Aug 2026

Maddy was polite, helpful, and incredibly patient as we flailed about trying to balance an incredibly busy event season with renewing our policy. Her support was greatly appreciated

North Shore Jun 2026

Maddy was great and followed up regularly to remind me to confirm whether I was happy with the renewal. She was very thorough and personable.

North Shore May 2026

Very happy with the service from Maddy.

North Shore May 2026

Maddy is always available to answer my questions, tries to get the best deal for us and is very organised and efficient.

North Shore Apr 2026

Seemless and efficient (the original email went to my spam folder, but Maddy did point this out to me).

Maddy joined Rothbury in 2023 for her first role in the insurance industry. She has strong communication and organisation skills, is extremely dedicated to her work and prides herself on her attention to detail. Maddy is looking forward to building long lasting relationships both within the industry and with clients.

When she's away from work, Maddy enjoys being outdoors doing anything from camping to fishing, boating and hiking. A sports lover, she is heavily involved in netball, especially at Netball North Harbour. She coaches the U14 Harbour Representative team there and is always involved in local tournaments and programmes. Maddy is a NZ Level 1 qualified Netball coach and also played rugby and cricket for a number of years.
