I am travelling in my motor home in the South Island. Maria went above and beyond to help complete what needed to be done, as my phone skills are not that great. Thank you

Great service, as we are very transient and difficult to contact.

Maria began her career in the insurance industry in 2018 and joined Rothbury in 2022. She brings a collaborative and approachable communication style to her role, supported by strong organisational skills and understanding of insurance solutions. Maria enjoys helping businesses navigate insurance with confidence by making things clear, practical, and easy to understand.
