What Maria's clients have to say

Northland Jul 2026

I was delighted to be seen as a walk-in customer and to discuss in detail what I was looking for and why. Being taken seriously by Maria was really appreciated and gave me immediate confidence in your service.

Maria is great to deal with, always fast and professional.

Maria began her career in the insurance industry in 2018 and joined Rothbury in 2022. She brings a collaborative and approachable communication style to her role, supported by strong organisational skills and understanding of insurance solutions. Maria enjoys helping businesses navigate insurance with confidence by making things clear, practical, and easy to understand.

When she's away from the office, Maria enjoys staying active with dance classes and spending time with animals. She also loves discovering great places to eat, supporting local businesses, and unwinding with a spot of baking at home.
