Mary is a kind, supportive person. Her expertise and professional advice tick all the boxes. Great professional dynamics aligned with today's strategies. I always leave her office with a very good feeling about my day.

Mary joined the insurance industry in 2011 and started with Rothbury in 2019. She is committed to providing tailored insurance solutions for commercial, rural, and domestic clients by thoroughly understanding their unique needs. With experience working for insurers and in various broking roles, Mary has developed strong industry knowledge. She consistently strives to be as helpful and timely as possible. Mary enjoys learning about her clients' projects and watching them grow and expand as they build their assets.

With her two young boys, Mary goes exploring around the nearby beautiful landscape and beaches. She stays fit playing hockey for Old Girls Hockey Club and loves to hit the ski slopes when the winter gods allow it. Mary is a real foodie, so for some downtime, she takes advantage of the great local cafés or cooks up a storm in the kitchen.
