What Matt's clients have to say

Southland Sept 2026

Matt is awesome. Throughout the year, I randomly email him about aspects of my cover. He always responds promptly. He's a legend.

Southland Jul 2026

Matt was attentive, obliging and helpful. He is confident and knowledgeable.

Southland Jun 2026

I thought Matt was very helpful in finding our club a suitable insurer.

Matt started in the insurance industry in 2008 and re-joined Rothbury again in 2023. He prides himself in his empathy and always goes the extra mile to understand each clients' business to ensure he can put together the greatest coverage suited for them. Matt is personable, efficient and holds his Level 5 Certificate in Financial Services.

He regularly gets involved in running events like Parkrun and doesn't mind the odd Half Marathon/Mountain race! Artistic by design, Matt has even recently started to paint canvas paintings! Matt loves the Southland region for its people and its lack of traffic and it's not that far to jump to Fiordland or Central Otago for those epic trails.
