Matthew joined the insurance industry in 2006 and started with Rothbury in 2022. With a wide range of previous experience, he specialises in working with commercial clients, particularly tradies. Building a rapport with clients is something Matthew strives to do, making sure each client receives outstanding service and a bespoke insurance solution.

When away from the office, Matthew can be found watching his daughters Hockey games. He is also fluent in sign language, as a number of his family members are deaf.
