Philippa is a great asset to Rothbury. Her professionalism, efficiency and knowledge of products available to clients are consistent and appreciated. Renewing annual policies isn't the easiest task, yet Philippa takes on a lot to create a smooth and stress free pathway to getting the job done! Tauranga Jul 2026

Philippa's excellent ongoing management of my insurance requirements keeps me involved with your company.

Philippa returned to the insurance industry in 2010 after being able to spend some time at home as a stay at home mum. She joined Rothbury in 2023, and has a wide range of experience in both broking and claims. Philippa's goal is getting to know all her clients on a first name basis and build long & lasting relationships. She prides herself on her organisation and superior customer service, and holds her Level 5 certificate in Financial Services.

When she's away from the office, Philippa can usually be found in her vegetable garden, or spending time with family & friends. She enjoys walking both for fitness and leisure, and loves to explore the local cafes and restaurants. Philippa gets involved in local community events where she can, including supporting the Tauranga Shoebox Christmas Charity and taking part in a project organised by Rise Up Tauranga – Baking for front line staff at Tauranga & Whakatane Hospitals post covid. She loves the region for its beautiful beaches and variety of

hiking trails.
