What Rachael's clients have to say

Ashburton Jul 2024

Rachael is great and practical about what is best for her clients.

Ashburton Jun 2024

Efficient and effective.

Rachael joined the insurance industry and Rothbury in 2021. She primarily works in the Commercial space. With a good knowledge of multiple trades and industries, Rachael is client focused, organised and driven to provide her clients with solutions that fit their needs and build long term relationships.

To relax Rachael can be found riding her horse and working on her farm. She volunteers as a fosterer for the SPCA and enjoys attending charity events with her friends and family. As well as her affection of animals she also loves fast, noisy cars, both modern and old school.
