The team at Rothbury and Sam are great to deal with and make it easy in every way. Thanks.

Really pleased with the service we have had this year as we move properties and have to adjust all our insurances. Sam and the team have been proactive in sorting out new policies when one of our previous insurers was not happy to insure our property. Many thanks.

Sam is an excellent broker. He was quick and efficient all whilst nothing was a problem.

Sam has been in the insurance industry since 2017 and joined Rothbury in 2021. He works closely with small to medium sized and rural businesses. Sam is gregarious and delights in getting to know clients and building supportive relationships. Keen to continue learning within his role, Sam's key strengths are customer interactions and has strong administration and organisation skills.

Sam likes to wind down by getting to the beach with friends and family. He also is a keen sportsman, playing both golf and squash. As a Whangarei squash club committee member, Sherwood golf club member and qualified junior squash coach it's evident golf and squash are his preferred sports.
