What Simon's clients have to say

North Harbour ILG May 2024

Straight-forward and honest advice delivered clearly and concisely. Very approachable and responsive to questions. Excellent service.

Tauranga Apr 2024

We've followed Simon from Tga to Auckland, which should say a lot. There isn't a lot of great customer service around, Simon is an exception to this rule - he is very professional, relatable, and gets things done. He has a fabulous attitude and he is a star.

North Harbour ILG Feb 2024

It's been a pleasure to deal with Simon. From the first initial meeting to all follow-up issues, he has been quick and efficient to deal with. Thanks, Simon very much appreciated.

North Harbour ILG Jan 2024

Given the challenges endured throughout 2023 and likely to flow through to 2024, aligning with the current thinking of insurance factors and influences was important. Simon was a great help in guiding us through the renewal phases - his efforts were appreciated.

North Harbour ILG Dec 2023

Great service, thank you team.

Simon joined the insurance industry in 1997 and started with Rothbury in 2013. He had a dual role as Commercial Broker and Tauranga Branch Manager for almost 10 years and has now made the move to Auckland as Branch Manager and Commercial Broker for our Rothbury ILG branch in Albany. Simon is skilled at managing his clients' insurances. His extensive knowledge across industry sectors includes construction, civil contracting, engineering and real estate. He specialises in insurance for medium to large sized businesses plus has experience in schemes development and management.

Simon spends most of his weekends at the football club or as support crew for water-polo and swimming, and attending his kids' events. He's a golfing enthusiast and enjoys hanging out with his family and their animals, just don't ask him to cook, he's terrible at it!
