Tania is awesome to deal with. She is professional, organized, thorough, helpful and super friendly.

Tanya joined the insurance industry in 2005 and started with Rothbury in 2017. She holds an NZ Certificate in Financial Services (Level 5). Tanya prides herself on working well under pressure and having great time management skills. She enjoys working with her clients and getting to know them by building trusted relationships.

After a busy day, Tanya tries to get out on the farm with her family and dogs in the weekends. She will often head off to one of the beautiful local beaches that surround Whangarei. She's also a competition enthusiast; the biggest prize she received was when she entered her family onto Family Feud and they won the car and cash!
