He is very friendly and helpful. I don't have enough knowledge about insurance, but he explains it very well. I feel comfortable talking to him. This is very important from a customer perspective.

Wayne joined the insurance industry in 1980 and started with Rothbury in 2001. He utilises the expert knowledge he has built up over the years to manage a wide range of medium to large sized business clients within the construction, manufacturing and property industries. Wayne prides himself on his outstanding client service and being available to his clients when they need him.

Whether it's walking the dog on the beach, stopping for a coffee at a local café or a weekend cycle around the estuary, Wayne and his partner love the life that living in Orewa brings.
