What Wayne's clients have to say

Capital City Jun 2025

My dealings with Wayne are in relation to a Body Corp insurance. The number of insurance companies prepared to insure a property such as ours is limited. Wayne has been proactive in seeking insurance cover from a range of providers. He has also been very patient and informative when answering questions from our townhouse owners.

Wayne has been excellent to deal with from start to finish. He is quick to reply to emails and makes all processes simple. We trust him to deal with our insurance professionally and in a timely fashion. He followed up with a phone when time was short to complete a change in our insurance (from business to landlord) which was appreciated.

Wayne joined the insurance industry in 2005 and started with Rothbury in 2015. He finds it very satisfying to help people and works hard to understand his clients' insurance needs and provide tailored solutions.

Wayne's client base is wide-ranging from Body Corporates, bin hireage, motor fleets and Uber drivers to rural lifestyle blocks and dairy operators. He excels at building and maintaining strong client relationships by consistently providing quality service and professional advice.

Wayne is very sporty and plays softball in summer and football in winter. He also tries to fit in a round of golf at the weekends, in between his kid's sporting events. He can't pass up going to the movies to see the latest Star Wars or Marvel adventure or heading off to the beach right on his doorstep in Lyall Bay.

I was presented with the proposed covers. I did have some queries and they were resolved after a time, and a follow-up.
