Wayne was attentive to our needs and timelines.

Wayne joined the insurance industry in 2005 and started with Rothbury in 2015. He finds it very satisfying to help people and works hard to understand his clients' insurance needs and provide tailored solutions.

Wayne's client base is wide-ranging from Body Corporates, bin hireage, motor fleets and Uber drivers to rural lifestyle blocks and dairy operators. He excels at building and maintaining strong client relationships by consistently providing quality service and professional advice.

Wayne is very sporty and plays softball in summer and football in winter. He also tries to fit in a round of golf at the weekends, in between his kid's sporting events. He can't pass up going to the movies to see the latest Star Wars or Marvel adventure or heading off to the beach right on his doorstep in Lyall Bay.
